

AAR Standard Clock

Network Inventory: 5 minutes

Local Availability: 17 minutes

effective 01/10/2005

Listener Talkline: 866-303-2270

Listener Website: AirAmericaRadio.com

The 02 relays are sent as 25 Hz tones and as K0 digital closes on the Jones satellite.

The 03 relays are sent as 35 Hz tones and as K1 digital closes on the Jones satellite.

If you're using the Westwood satellite, the closes are 2/3, but if you're using the Jones satellite they're 0/1.
